### 2. Direction to pay advance amount

- 2.1. IQFS will provide each Premium Loan by making available committed funds with effect from the First Instalment Date, to be paid in accordance with clauses 2 and 3.
- 2.2. The Borrower directs IQFS to pay the amount of a Premium Loan to each Insurer or Broker, to the amount of the relevant premium under the Funded Policies, plus any related charges.
- 2.3. IQFS has no responsibility or liability to ensure how an Insurer or the Broker applies an amount paid under clause 2.2.

### 3. Advances and New Premium Loans

- 3.1. IQFS need not pay a Premium Loan as directed by the Borrower under clause 2.2 if a Default has occurred or if IQFS has not received the following in form and substance satisfactory to it:
- evidence that each Insurer has accepted the Borrower's proposal for the relevant Funded Policies;
  - evidence of this document properly completed and signed or accepted by the Borrower (or by the Broker acting on the Borrower's behalf);
  - all information, credit checks and documents requested by IQFS (including any internal credit approval) in relation to the Borrower or the Funded Policies;
  - the Initial Payment for the Premium Loan in cleared funds; and
  - any Subsequent Instalments for the Premium Loan in clear funds which are then due.
- IQFS will not be liable to the Borrower for any loss associated with any delay in advancing a Premium Loan due to a pre-condition in this clause 3.1 not having been satisfied.
- 3.2. The Borrower may request IQFS (which request may be made through the Broker which the borrower acknowledges has full authority to act as the Borrower's agent on such request) to offer to provide a New Premium Loan. IQFS's decision to offer any New Premium Loan is at its sole discretion. If IQFS agrees to offer a New Premium Loan:
- IQFS will provide the Borrower with a New Premium Funding Offer for the New Premium Loan;
  - provision of the New Premium Loan will be subject to the terms and conditions specified in the New Premium Funding Offer and these Premium Funding Conditions (or any varied Premium Funding Conditions within a New Premium Funding Offer); and
  - if varied Premium Funding Conditions are notified with a New Premium Funding Offer and the offer is accepted, the varied Premium Funding Conditions replace these Premium Funding Conditions on and from the date of acceptance.

### 4. Fees and commissions

- 4.1. The Borrower must pay to IQFS all fees for each Premium Loan specified in the Premium Funding Details and other fees notified to the Borrower from time to time. All fees are non-refundable.
- 4.2. The Borrower acknowledges that IQFS may pay commissions to the Insurer or Broker in relation to the introduction or arranging of a Premium Loan.
- 4.3. In addition to any other amounts payable in connection with this Premium Funding Agreement, the Borrower will also pay all charges IQFS reasonably determine and require the Borrower to pay:
- if any payment the Borrower makes is dishonoured by the Borrower's bank or financial institution; and
  - following a Default, if IQFS cancels the Funded Policy.
- 4.4. IQFS may vary any fees or charges or introduce a new fee or charge at any time by notifying the Borrower at least 30 days prior to the day on which the variation or introduction takes effect.

### 5. Interest

- 5.1. The Total Interest Charges are payable on the amount of each Premium Loan.

### 6. Repayment and Loan Charges

- 6.1. The Borrower must repay each Premium Loan and pay the Loan Charges for each Premium Loan to IQFS by paying the Instalments for the Premium Loan in advance.
- 6.2. The Initial Payment for a Premium Loan is due on the Application Date or, in the case of a New Premium Loan, on the date of acceptance of the New Premium Funding Offer. Subsequent Instalments are due monthly or quarterly (as specified in the Premium Funding Details) on the same day of each calendar month or quarter, or on the previous business day where an Instalment Date otherwise falls on a non-business day. The Borrower must pay to IQFS the last Subsequent Instalment for a Premium Loan on the Last Instalment Date for the Premium Loan. The Borrower must pay to IQFS all remaining Secured Money
- 6.3. If any amount payable by the Borrower to IQFS is not paid on time in accordance with this Premium Funding Agreement, the Borrower will pay to IQFS on demand, interest in accordance with clause 7.2 and such interest will: (a) accrue on any outstanding amount or amounts from and including the day after its due date up to but excluding the date of payment; and (b) be computed on a daily basis for actual days elapsed.

### 7. Payments generally

- 7.1. All payments to IQFS must be in New Zealand dollars unless otherwise agreed by IQFS in writing, and in full without set-off, counterclaim or deduction. Payments are only credited when actually received by IQFS in cleared funds.
- 7.2. Subject to clause 6.3, any Secured Money which is not paid on its due date will also bear overdue interest calculated on a daily basis at the rate prescribed from time to time for the purposes of Part 1 of the Interest on Money Claims Act 2016 until paid in full. This is in addition to the Total Interest Charges referred to in clause 5.1.
- 7.3. IQFS may apply payments received against any part of the Secured Money in its absolute discretion. IQFS may, without any demand or notice, set off and apply indebtedness it owes to the Borrower on any account against any Secured Money, whether or not any of those amounts are immediately payable or are owed alone or with any other person.
- 7.4. The Borrower may not (either directly or indirectly) claim, exercise or attempt to exercise a right of set-off or counterclaim against IQFS (whether the right is the Borrower's or any other person's) or any other right which might have the effect of reducing the Secured Money.

### 8. Security

- 8.1. To secure payment of the Secured Money, the Borrower assigns and transfers to IQFS, by way of security, all of its right, title and interest in and to each Funded Policy (including by way of proceeds of an insurance claim), all Refund Proceeds and all rights, powers and remedies to cancel or enforce any Funded Policy and obtain Refund Proceeds.
- 8.2. This security continues until all Secured Money has been paid in full. While any Secured Money remains unpaid:
- the Borrower may not require reassignment or transfer from IQFS of anything secured under clause 8.1 (except IQFS will, at the Borrower's request, reassign and transfer the Borrower's right, title and interest in and to a Funded Policy where all Secured Money outstanding in respect of the Premium Loan that funded the premium for that Funded Policy has been fully and finally repaid to IQFS and there is no proposal for a New Premium Loan);
  - IQFS may possess the originals of all documents evidencing Funded Policies; and
  - IQFS may notify each Insurer of the Borrower's security to IQFS, and arrange for IQFS's name and interest to be noted on Funded Policies and in the Insurer's records.
- 8.3. The Borrower must not do (or attempt or agree to do) any of the following without IQFS's prior written consent:
- assign, transfer, grant a security interest over or otherwise deal with, any right or power relating to any Refund Proceeds;
  - cancel, terminate or vary any Funded Policy or make or settle any claim under any Funded Policy; or
  - do or allow anything to be done which might prejudice IQFS's security over or collection of, any Refund Proceeds, or reduce the amount payable in respect of any Refund Proceeds.

### 9. Further assurances

- 9.1. If IQFS requests, the Borrower agrees, at its cost, to sign or cause to be done anything necessary to perfect, preserve, protect or otherwise give full effect, including under the PPSA and related regulations, to any security interest created under this document, including registering such security interest and complying with any requisition raised by any authority.
- 9.2. At IQFS's request, the Borrower must notify all such persons of IQFS's security over the Funded Policy and the Refund Proceeds and obtain all necessary consents and releases from them to perfect the assignment and payment to IQFS of any Refund Proceeds and to give first ranking priority to IQFS's security interest in the Funded Policy and the Refund Proceeds.
- 9.3. The Borrower must notify each Insurer of IQFS's interests and rights in respect of the Refund Proceeds, and that the Borrower irrevocably:
- authorises the Insurer to cancel the Funded Policies identified in a notice of cancellation issued by IQFS to the Insurer and to pay to IQFS all sums representing Refund Proceeds for such cancelled policies; and
  - directs the Insurer, any Broker and any other person holding Refund Proceeds to pay all amounts representing Refund Proceeds to IQFS or as IQFS directs.
- 9.4. The Borrower acknowledges that IQFS has the right to register the security granted under clause 8.1. The Borrower agrees to provide all necessary assistance, and sign and do anything IQFS reasonably requires, to perfect any such registration.

### 10. Default

- 10.1. A Default occurs if:
- a claim arises under any Funded Policy and the Borrower fails to meet the Insurer's requirements on time, or any Funded Policy is cancelled, invalid or otherwise void;

  - the Borrower elected to pay by direct debit, the Direct Debit Request is cancelled without IQFS's prior consent;
  - a receiver, liquidator, administrator or trustee in bankruptcy is appointed to the Borrower or to any of its assets.

- 10.2. If a Default occurs, IQFS may do one or more of the following:
- declare that the Secured Money is immediately due and payable, in which case the Borrower must immediately pay the Secured Money to IQFS;
  - cancel or otherwise deal with any Funded Policy, Refund Proceeds and the Borrower's rights to those things, as IQFS sees fit;
  - terminate IQFS's obligations under the Premium Funding Agreement; and
  - exercise and enforce its rights under the Premium Funding Agreement and at law
- 10.3. If a Default occurs, the Borrower must pay or reimburse to IQFS on demand any enforcement expenses reasonably incurred by IQFS (including expenses reasonably incurred by the use of staff and facilities of IQFS).
- 11. Representations and warranties**
- 11.1. The Borrower represents and warrants to IQFS that while there is any Secured Money outstanding:
- no other person has or will have any interest in any Funded Policy or any Refund Proceeds;
  - the Borrower has not relied on any representation or statement by or on behalf of IQFS to enter the Premium Funding Agreement or to select or effect insurance under any Funded Policy;
  - the Borrower has obtained all necessary consents and releases, and complied with all internal procedures to enter and perform this document, including without limitation, if the Borrower is a partnership, that the signatory to this document is authorised by each of the principals of the partnership to enter into this document;

  - it is and will remain registered for GST purposes and has made taxable supplies representing not less than 75% of total supplies in the previous 12-month period.
- 11.2. The Borrower acknowledges that IQFS relies on the Borrower's representations and warranties in order to provide the Premium Loans.
- 12. Appointment of Agent**
- 12.1. The Borrower irrevocably appoints IQFS and each of its officers and employees whose title includes 'chief', 'head of', 'director', 'manager' or 'executive' from time to time severally as the Borrower's agent under this Premium Funding Agreement for the purposes of the following, and IQFS accepts such appointment:
- comply with the obligations of the Borrower under this Premium Funding Agreement;
  - do everything which in IQFS's reasonable opinion is necessary to enable IQFS to exercise any of its right under this Premium Funding Agreement;
  - date, complete or correct any details in any Premium Funding Details (before or after acceptance);
  - if a Default has occurred, do anything that the Borrower may lawfully authorise an agent to do in relation to this Premium Funding Agreement;
  - if a Default has occurred, cancel, terminate or procure the cancellation or termination of any Funded Policy (which is cancellable) and obtain and collect any Refund Proceeds; and
  - give valid receipts for any Refund Proceeds.
- 12.2. In acting as the Borrower's agent, IQFS and each other agent shall have all powers given to the Borrower under the Premium Funding Agreement, as well as all other powers which are reasonably incidental to those powers.
- 13. Borrower's indemnities**
- 13.1. The Borrower indemnifies IQFS against, and must pay IQFS on demand amounts for, all actions, claims, demands, losses, liabilities, and expenses (including legal costs) of any nature incurred at any time actually or contingently by IQFS arising in connection with:
- a Default;
  - IQFS relying on any information supplied by or on behalf of the Borrower which proves to be incorrect or misleading (including by omission of information);

  - the interest rate applying to a judgment debt being less than that applying to the Borrower's original payment obligation for which judgment was obtained.
- 13.2. IQFS need not incur an expense or make a payment before enforcing an indemnity. Unless otherwise stated, each indemnity is separate and independent of each other obligation of the Borrower, is absolute, irrevocable and unconditional and continues despite any settlement of account, termination of the Premium Funding Agreement or anything else.
- 14. PPSA – Part 9 and additional rights**
- 14.1. IQFS and the Borrower agree that, to the extent permitted by law the Borrower and IQFS contract out of and the Borrower waives its rights under sections 114(1)(a), 120(2), 121, 125, 129, 131, 133 and 134 of the PPSA.
